

# Introduction to Green Built Training

**Learn how you can enter the fastest growing segment of the housing industry, while saving money and reducing your impact on the environment...**

**Investment:** \$60 per person

**Presenter:** Arn McIntyre of McIntyre Builders, Inc.

**Location:** HBAGGR Offices located at 3196 Kraft Ave SE, Suite 300, Grand Rapids, MI 49512

To register call (616)281-2021 x249

**Date & Time:** September 14, 2010 from 9:00am – 12:00pm (lunch is included and will be offered following the course)

## Why attend?

More and more homeowners are seeing the need for green and a growing number of homebuyers are asking for green building technologies and techniques. In a recent survey, homebuyers rated location, floor plan, and energy efficiency as the three most important criteria in selecting a home. Learn how you can increase home value, reduce operating and maintenance costs, and increase quality of living, all while having a smaller impact on the environment.

### Builders

- Increase Profits
- Fill a Need
- Less Call Backs

### Suppliers

- Identify Products
- Return Policies
- Trade Contractors
- Participation = Performance
- Testing = Quality Control
- Important to Team Success
