Exciting “Addition” to the Parade of Homes!

The Home & Building Association of Greater Grand Rapids (HBAGGR) is pleased to announce the 2010 Parade of Homes dates. With this year’s Parade we are also excited to announce the addition of remodeled homes in the event!

“We have some new and exciting things to see in next year’s Parade”, says Dale Shugars, Executive Vice President of the HBAGGR. “Not only green building and universal design, but also exceptional remodeling projects and whole house renovations showcase as fine examples of what our members do in addition to building new homes.”

Two times a year, the HBAGGR brings Parade of Homes to the Greater Grand Rapids area. It’s a great opportunity for homeowners and future homeowners to come out and get ideas on remodeling, custom homes, and possibly even buy a home.
